Ministry of Local Administration

Question #1. On Page 93, section 5.1 Training service Provider, can you please clarify what is a valid classification certificate.

Reply #1. Valid classification certificate for Training Service Provider is the Trade registration certificate.

A Valid classification certificate for Trainers set out in clause 5.2.1 / Page 93, is the professional certificate including practicing certificate (as appropriate) issued by the competent professional association.

Question #2. If the service provider does not have an ISO 9001 certificate (or equivalent), will the lack of provision an ISO certificate (or equivalent) will result in disqualification.

Reply #2. Valid Quality certificate is required under penalty of disqualification. A Training Service Provider is considered to meet the requirement and shall be qualified for this tender if it holds any of the following valid Quality documents:

- ISO 9001 certificate or equivalent;
 - A company Quality regulation that has been drawn up by the Training Center based on the provisions of international quality standards and which is demonstrably applied by the Training Centre.
